

24th Annual **Idyllwild Earth Fair**

Saturday, May 18, 2012

11am to 5 pm

Idyllwild Town Hall - 25925 Cedar Street

We are pleased to offer you an application for exhibitor space at our 24th annual Earth Fair! The Fair will take place in our customary outdoor space among the trees and underneath the billowing parachute at the Town Hall. An event for the whole family, festivities include live entertainment, interactive exhibits on a variety of earth-friendly topics, delicious organic food, and more!

Exhibitor booths should reflect the spirit and theme of Earth Fair, featuring environmental education, sustainable living, recycling, healthy foods, earth friendly products, water conservation, etc. with an emphasis on local and regional solutions. Please plan to be interactive with those attending Earth Fair. Our goal is to balance festivity and education as we celebrate the diversity and abundance of the natural world and learn to care for its optimal survival and preservation.

Details:

- The deadline to apply for exhibitor space is **April 27**. If your application is late and there is space available, you will be charged an additional \$20.
- Booth space is the size of a 10x10 canopy / easy-up. If you plan to use only a table, the size is about 3x7 ft., (about the size of a large folding table) and you can subtract \$10 from your total.
- Exhibitors provide their own canopy, tables and chairs. If you have special needs, state them on your application or contact us.
- Earth Fair ends at 5pm. We ask that you not pack up and leave before that time, unless you have extenuating circumstances

Please Note: Earth Fair presents exhibitors to apply who are promoting items that are sustainably made, locally and regionally, rather than those manufactured by national/international companies or imported and carried by independent distributors.

Applications are subject to review by the Earth Fair Committee. You will be notified before or the week of the deadline as to the status of your application.

Deadline:

Please return your application, a check or money order and signed guidelines **by April 27**.

We look forward to receiving your application!
