

## Idyllwild Earth Fair 2012

### SPONSORSHIP FORM

The Idyllwild Earth Fair was started in 1990 by dedicated and passionate community members who were inspired by Earth Day. In its 23<sup>rd</sup> year, volunteers are still at the heart of this grassroots event. Our mission remains the same; to balance festivity and education, celebrating the diversity of the natural world while motivating people to be actively involved in its preservation.

This free event promises a variety of attractions: live musical performances, delicious organic food, and activities for adults and children, including interactive booths with recycled art, henna painting, earth-friendly products, wildlife education and more!

The Idyllwild Earth Fair is a completely volunteer run event that no individual profits from. All money and donations are utilized for the production of Earth Fair and its corresponding events. **We are not a state or federally registered nonprofit (official 501c3) but hope to be soon. Donations given to Earth Fair are made because of a desire to help us put on this long-standing community event are not tax deductible.**

### ***THANK YOU FOR YOUR SUPPORT!***
